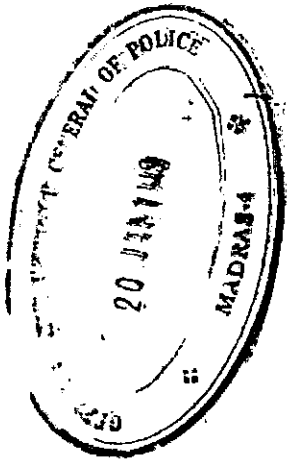
Sir,

Sub:- Allowance - Grant of Conveyance allowance to the Civil Assistant Surgeon Class I deputed to attend on the .... personnel of the Special Armed Police Force Unit - Bellary.



1. The Civil Assistant Surgeon (Class I) attached to Government Wellesley Sanatorium, Bellary, has been directed by me to attend on the personnel, in addition to his duties of the Special Armed Police Force Unit, Bellary(Cantonment). He is therefore directed to visit the unit, twice or thrice a week or will have to make special trips in times of emergency to render medical aid and to protect them against any epedimic such as Cholera, Plague, small pox and Enteric etc.

2. The Headquarters of the Special Army Police is situated one mile from the Wellesley Tuberculosis Sanatorium. Considering the additional duties and the additional expenditure involved thereby the Medical Officers requested to be granted a special pay under Fundemental Rule 49. Though they are not entitled for any additional pay under the above rule, I consider that they should be paid an allowance equal to what they normally incur by way of conveyance. In consultation

2)

consultation with the District Medical Officer, Bellary, and Inspector-General of Police, Madras. I recommend that that the Medical Officer in charge of the Special Armed Police Force Unit, Bellary (Cantonment) may be granted a conveyance allowance of Rs.40/- per mensem to cover the additional expenditure involved to him for visiting the Unit.

3. I request that orders of Government may kindly be obtained for payment of the above allowance to the medical officer in charge of the Special Armed Police Unit.

Yours faithfully,

for Surgeon-General with the Government of Madras.

Sir,

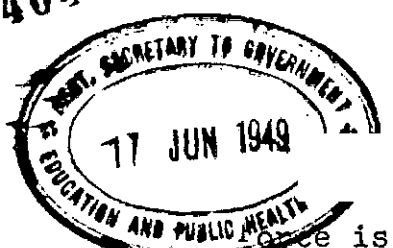
Sub:- Allowance - Grant of conveyance allowance to the Civil Assistant Surgeons Class I, deputed to attend on the personnel of the Special Armed Police Force Unit, Bellary.

Ref:- Correspondence ending with Government Memorandum No.1222-D2/49-3-P.H. dated 4-5-1949. - p-5 ante

---



The Headquarters of the Special Army Police Force is situated one mile from Government Wellesley Tuberculosis Sanatorium, Bellary. The conveyance charges was Rs.3/- per trip. The total conveyance charges for 3 trips per week will be about Rs.36/- per mensem. Besides these trips the Medical Officers had to make special trips every now and then in case of emergency. The mode of conveyance used is jutka and hired taxi car.

As regards delay, I submit that there was no delay in the claim preferred by the Medical Officers. They petitioned to the Surgeon-General on 15-6-1948 for the grant of special pay for having done the above work. They were replied that no special pay would be sanctioned, and they were asked to submit details of actual expenses, so as to enable this office to recommend an allowance to cover up the

the actual expenses. Accordingly the same was submitted to this office in August 1948. The ~~Surgeon-General~~ Inspector-General of Police was consulted in the matter before Government have to be approached. Under the circumstances the conveyance allowance of Rs.40/- recommended for may kindly be sanctioned.

As the allowance has been claimed only for a certain period i.e. from 3-2-1948 to 18-1-1949 when the Medical Officers attached to Government Wellesley Tuberculosis Sanatorium, Bellary were asked to attend on the personnel of the Special Armed Police Unit, the question of granting the allowance with retrospective effect does not arise.

From the S.G. Ref. 39556 - Pers I/48 dt 4.4.49
From the I.G. of Police. FOC no 156/Accts/49 dt 29.3.49

The S.G. in his letter on pp. 1. 2 ↓ has recommended the grant of a Conveyance allowance of Rs 40/- p.m. to the Civil Asst. Surgeon (class I) attached to the Govt. Wellesley Sanatorium, Bellary, who has been deputed to attend on the personnel of the Special Armed Police unit Bellary (Cantonment), twice or thrice a week or to make special trips in times of emergency to render medical aid. The I.G. of Police recommends the S.G's proposal and states that the Civil Asst. Surgeon may be granted the conveyance allowance for the period from 3.2.48 to 18.1.49, during which period, ~~presumably~~ apparently he was doing the additional work. In a similar case, where the medical officer attached to the Govt. dispensary, Vizianagaram was deputed to visit the Pabayyapet Police station, at a distance of eight miles from the Vizianagaram dispensary, he was paid only a remuneration of Rs 5/- per visit in addition to the usual T.A. according to the M.T.A. rules. The distance which the medical officer has to traverse in this case is only one mile. The allowance of Rs 40/- p.m. recommended by the S.G. seems to be very high. Following the precedent referred to above,

the Civil Asst. Surgeon on his case may perhaps be paid ~~two~~ rupees per visit, for his visits made during the period from 3.2.'48 to 18.1.49 subject to orders on a draft order submitted. The expenditure may be debited to the Police Head. Please see below

In the case referred to at 'A' overleaf, the status of the medical officer was that of Civil Asst. Surgeon - class II. He was required to render medical aid to policemen and their families only once a week.

In the present case, the C.A.S - class I, was required to attend on the personnel of the Special Armed Police unit, Bellary, for two or three times every week in addition to special visits in times of emergency. The S.P.'s proposal for the payment of an allowance at Rs 40 a month to the medical officer has been made on the suggestion of the D.M.O Bellary and the I.G of Police. The proposal may perhaps be supported in this dept.

Edn.& P.H. propose the payment of a conveyance allowance of Rs 40 p.m. to the civil assistant surgeon (class I) attached to the Sanatorium at Bellary for attending on the personnel of the Special Armed Police Mxxx Unit, Bellary (Cantonment) for the period from 3-2-1948 to 18-1-1949.

2 Amount of the allowance. The rate of Rs 40 p.m. recommended by Edn.& P.H. seems large. In a similar case the medical officer who was deputed to visit a Police station at a distance of about 8 miles was paid only a remuneration of Rs 5 per visit in addition to the usual t.a. The distance in this case is only about a mile and though the officer belongs to the cadre of C.A.S.(class I) the payment of Rs 40 p.m. is very much. He is not entitled to T.A. ~~So on the analogy of the Vizianagaram case~~ the additional remuneration may be limited to the conveyance charges actually incurred by him. The particulars may be obtained in the first instance.

3) Date of effect. The ~~xxx~~ policy of the Govt. is not to allow retrospective effect in the case of financial concessions. The circumstances under which the claim has not so far been made and the need for the payment with retrospective effect require further justification. Edn.& P.H.may be requested to obtain the information.

4. With the above remarks the case may be returned to Edn.& P.H.

Please see the note of Finance above. The views of Fin. at 'B' above may perhaps agreed to. The Sec. is also of the opinion that the medical

(Issued as Memo No 1222 D2/cg-3 PHdt 4.5.49)

From the S.G, Ref. No 39556-4. Res. dt 16-6-49

Please see the S.G's letter on Hr-7-8 of the file states that the total conveyance charges for 3 trips per week will be Rs 36/- p.m. at the rate of Rs 3/- per trip excluding the special trips the medical officer had to undertake in case of emergency. As regards delay, the S.G. states that there was no delay in the claim preferred by the Medical Officer who first petitioned to the S.G. on 15.6.48 for the grant of a special pay to them for what they have done. The delay is apparently due to the correspondence by the S.G. with the medical officers and the I.G. of Police who was also consulted in the matter before he recommended to Govt. the grant of conveyance allowance of Rs 40/- p.m. He has also stated that the question of granting the allowance with retrospective effect does not arise in as much as the allowance claimed is only for a certain period (ie) from 3.2.48 to 18.1.49 when the medical officers were asked to attend on the personnel of the S.A.P. Unit. This deptt. may therefore support the proposal of the S.G. for the payment of an allowance of Rs 40/- p.m. to the medical officers in question for the ~~who were deputed to attend on the personnel of S.A.P. for training~~ the

period from 3.2.48 to 18.1.49. Finance may see the case again for remarks.

Finance (E1)

Previous Fin note on p 3 above and the further note of E-P H may be perused: H- has now been stated that the conveyance charges was Rs 3/- per trip and that it works out to Rs 36/- p.m. H- has also been stated that the medical officer had to make 5 special trips in cases of emergency.

In the circumstances this dept may agree to the proposal subject to the remark that the allowance be limited to Rs 36 p.m. (instead of Rs 40) for the period.

Please see the Finance note above. The S.S. has stated that besides the 3 ordinary trips per week, the Medical Officer had to make special trips to the headquarters of the Spl. Armed Police force now and then in case of emergency. The S.S. has not stated the number of such special trips made but apparently taking into accou such trips only he has recommended t grant of a conveyance allowance of Rs. 40/- p.m. It does not therefore seem proper to limit the allowance to Rs.36/

as proposed by Finance. It is ~~therefore~~ for consideration whether this Deptt's proposal to grant an allowance of Rs. 40/- p.m. may be pressed. Before this is done, the S.G. may perhaps be asked to specify the number of special trips made by the Medical Officers during the period in question, namely, from 3-2-48 to 18-1-49. Subject to orders, a draft T.M. is submitted for approval.

9-7-49.

Issued as T.M. dt 9.7.49.

From the S.G. Ref No 3955b-Res/49 dt 1-8-49
The S.G. states that the exact number of special trips which the medical officers have made is not known and that on an average 2 trips per month are reported to have been made to the unit for the special calls. It will therefore come up to Rs 6/- per month at the rate of Rs 3/- per trip for the special trips, the medical officers have made. It would therefore appear reasonable to accept the proposal to grant an allowance of Rs 40/- p.m. to the medical officers in question. Finance may be requested to reconsider their suggestion at N on p-5 ante.
